

Opportunity of Grant workshop for Non-government organizations

The Public Affairs Section of the U.S. Embassy has been working with non-governmental organizations which are engaged in programs with Youth, Girls Education, Entrepreneurship, Education, Promoting Technology, English Language, Women Empowerment, Activism Against Gender Based Violence and others and has used these programs to reach Ethiopians in all regions. With the aim of strengthening existing partnerships and to provide opportunities to new potential partners, the Public Affairs Section is organizing a half day grants workshop on February 10, 2017 for non-governmental organizations. The workshop will be held at the Embassy from 08:30am -12:00pm.

The workshop is designed to give awareness about grant opportunities with the Public Affairs Section, the application process and requirements. NGOs interested in working with the Embassy on the above mentioned areas are encouraged to get in touch with us on or before February 8, 2017 via E-mail: Mamog@state.gov or 0111-307033.
